

Coolgrad Visa Interview Guidelines

1. Visa interview experience video must be typically 3 to 6 minutes long.
2. Introduce yourself, your educational background
3. Which country, university, program did you get admission into? (example: Rice University, USA, MS in Mechanical engineering)
4. Did you get visa approved or rejected?
5. What kind of questions did the visa officer ask you in the interview?
6. Describe the visa officer in a few sentences- appearance, nature, how many questions asked, was the person friendly, etc.
7. If your visa was rejected, if you can guess as to why your visa was rejected, mention it.
